Stay Stylish with Mine for Nine's Chic Maternity Fashions

Everyone knows how temporary maternity clothing is, but that doesn't mean you don't want to look your best during your pregnancy.

Now, there's an alternative.

Online boutique **Mine for Nine**, which launched earlier this year, stocks chic maternity fashions from **Seraphine**, **Maternal America**, **Olian**, **More of Me** and more that you can rent or buy for up to 3 months.

Need a tailored suit for work? You can borrow a sleek **blazer** and **skirt** for just \$53 a month. Going to a wedding? Choose from any of the **stylish dresses or gowns** available.

Right now, the company is offering **Moms & Babies** readers an exclusive discount. Until July 31, just enter code: **PEOPLE2011** at checkout for 10 percent off your first order.
